LAB 4 – CSS

At the end of this lab, students should be able to:

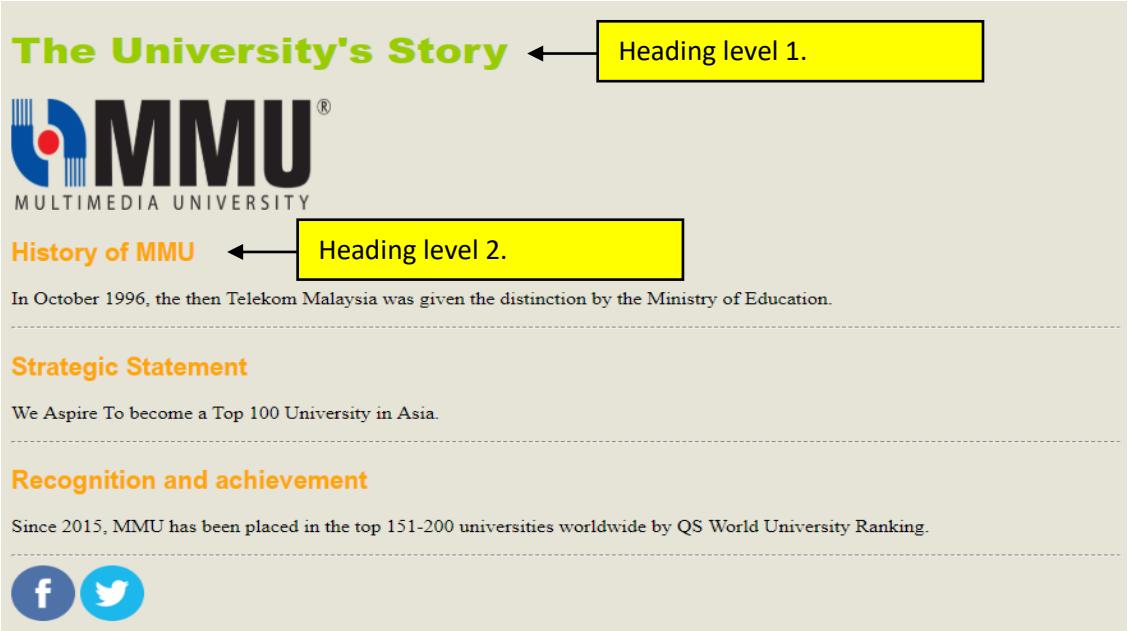
- At the end of this lab, students should be able to:
- Design a web page by incorporating proper Cascading Style Sheet (CSS) property and values.
- Use different variations of CSS such as External, Internal/Embedded and Inline.

Question 1

HTML file is given. Write the **Internal CSS** codes for the following web page design.

Guides

- The whole webpage:
  - The background colour is #E5E4D7.
- The MMU logo:
  - The width is 250px and the height is 100px.
- Heading level 1:
  - The font colour is #99CC00 and the font type is Arial Black
- Heading level 2:
  - The font colour is orange and the font type is Arial Narrow.
- The horizontal line:
  - Set the border colour as #8C8B8B with a thickness of 1px and the pattern is dashed.
- All the images inside a hyperlink:
  - The width and height is 50px.



Question 2

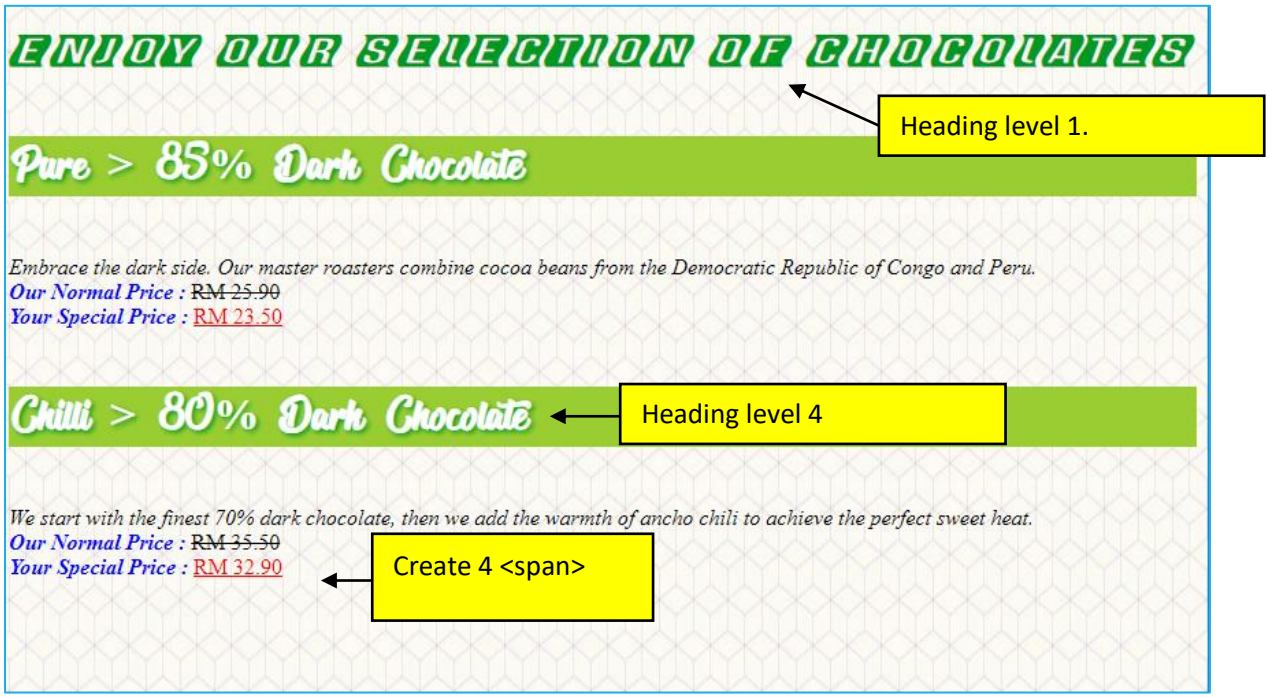
Write the **External CSS** codes for the following web page design.

Guides

- The whole webpage:
  - The background image is *background.jpg*.
  - Resize the background to 200px in height and width.
- Heading level 1:
  - The custom font type is *GenghisKhanframed-MedObliq*.
  - The font size is 2em and the font colour is #009922. There is a 5px spacing between each letter.
  - It is center aligned.
- Heading level 4:
  - Uses a custom font called *The Blacklist*.
  - The size is 2em with a 5px space between each word.
  - The background is *yellowgreen* and the font colour is white.
  - The text has a shadow with the colour #009922.
- Paragraph:
  - The words are in italic.

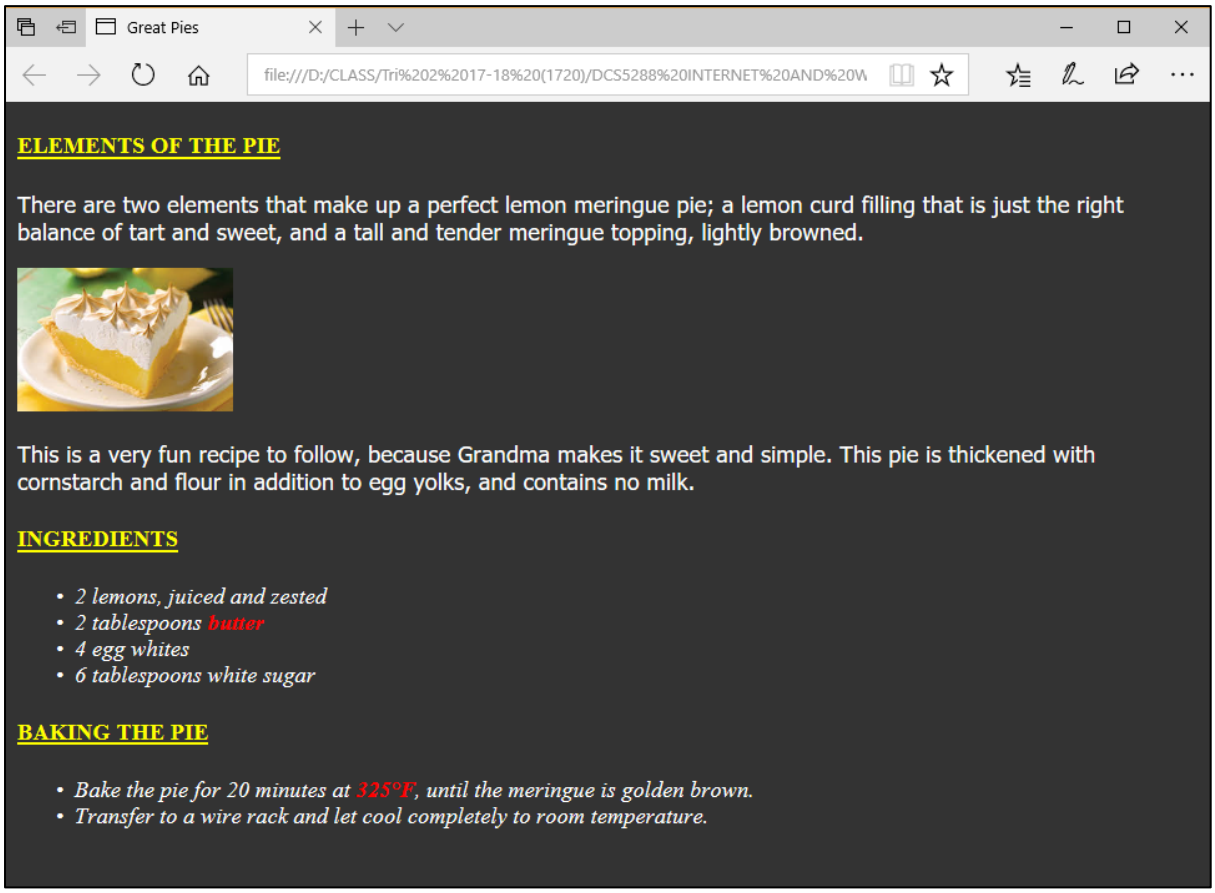
- Span (***Our Normal Price, Our Special Price***)
  - The labels are bold and blue. Use *class selector.*

- Span
  - The normal price has a line through it and not italic. Use *id selector*.
  - The special price is red, underlined and not italic. Use *id selector*.



Question 3

Write the **Inline CSS** codes for the following web page design. ***The HTML codes are already given.***

Guides


- The webpage background color is #333.
- All heading level 4 are yellow, underlined and in all capital letters.
- All paragraphs use the Tahoma font and are white in colour.
- The image width is 150px and the height is 100px.
- The list is white and in italics.
- Some words are red and bold.
